ABOUT REC AWANA

Game Time

Goal: learning to be a team player and have fun!

- Kids play group games with their peers and leaders
- Kids get really competitive and have lots of fun, so please bring a water bottle!

Story & Worship Time

Goal: developing a love for God's story and encountering him

- Kids and leaders worship God together through song and dance
- Kids hear stories of what God has done in the Bible and in our lives

Small Group Time

Goal: Creating a place of belonging for kids to build relationships and share stories

- Kids learn from the Bible and life through their Awana books, and have group discussion
- Leaders and clubbers have sharing time about their weeks
- Please read the stories with your children at home to help them follow along and grow in their faith

HOW YOU CAN HELP

Family Time

- Once a week, set aside a dedicated family time
 - 1) Story time (e.g. read the Jesus Storybook Bible or Awana book together)
 - 2) Sharing time (share Roses & Thorns, a highlight and lowlight from your week)

Attendance + Expectations

- Arrive 5-10 minutes before we begin, at 4:50pm
- Please come with uniform + book + bag + \$0.50 every time, as well as a water bottle for game time
- Kids enjoy Awana most when attendance is consistent, which strengthens relationships. We understand, however, there are times where students may have to miss a session. Please notify us if there must be an absence.

If you are interested in learning more about our leadership or serving at Awana, I would love to chat with you. All the best, in our mission to raise up kids who know, love, and serve Jesus Christ in our communities.

Every Blessing,

Rev. Ignatius Ng (Awana Commander)
